Please contact our office prior to purchasing to confirm sizing, stock levels, colour options, and availability.

“Made to Order” items are available for full building projects only and are subject to minimum order quantities (MOQ).

Key Benefits

✓ Energy Efficiency

- Reduces heat gain in summer
- Retains warmth in winter
- Lowers energy consumption
- Improves thermal performance

✓ Noise Reduction

Double glazing significantly reduces external noise intrusion — ideal for urban developments, roadside homes, and multi-dwelling projects.

✓ Condensation Control

Argon-filled sealed units help reduce internal condensation build-up.

✓ Safety & Strength

- Toughened safety glass
- Durable aluminium frames
- Strong locking systems
- Designed for structural stability

✓ Modern & Stylish Finishes

Available in:

- White, Black, Grey, Cream, White Colonial Design uPVC Colonial Style (White)

Ideal For

- New residential builds
- Duplex & townhouse developments
- Modular / manufactured homes
- Granny flats
- Renovations
- Builder supply contracts
