Plan: **SPARK Tiny house Bexley 12**

Tiny Houses are often as unique as their owners.

The SPARK **Bexley 12** is a 4.8 meters long tiny house on wheels that features a large sloped wall/roof with transparent skylights that serve as windows. It has a sleeping loft, bathroom, kitchen, and open living space. The smaller size would make it easier to tow and the large sloping wall would make it a bit more aerodynamic.
