Plan:SPARK Tiny house Chester 17.5

Tiny Houses are often as unique as their owners.

The SPARK **Chester 17.5** is a 7 Meters long tiny house on wheels and features two roof styles and an entry porch. One side of the house has a clerestory between two opposing pitched roofs. The other side of the roof has a pitch which provides a lot of added headroom in the sleeping loft. The ceiling is high enough in this design to use a staircase to access the loft.
