Plan:SPARK Tiny house Cove 15

Tiny Houses are often as unique as their owners.

The SPARK **Cove 15** is a 15 Meters long tiny house on wheels with a 10/12 gable roof. It has a bathroom sized to fit a square shower stall, composting or standard toilet, and small wall mounted sink. Like the Covelo design the bathroom and kitchen are placed at the center of this house but no dividing walls are used – so this space would feel much more open. A sleeping loft above the kitchen and bathroom provide enough space for a queen sized mattress.
